RE: Fisherville Terrace -Comprehensive Permit Extension

Dear Mr. McCusker:

I am writing as President of Fisherville Terrace Associates LLC to request an extension of the current Comprehensive Permit issued for Fisherville Terrace on South Main Street in Grafton.

As you know, we currently have a request before the Grafton ZBA for a substantial change to this Comprehensive Permit and are hopeful that this will be granted.. However, to protect our rights we are filing this request for an extension of the current Permit for one year beyond its current expiration date.

We appreciate your efforts and those of the Board and we look forward to final resolution and construction of this project in 2021.

Thank you.
